

SRM University-AP, Andhra Pradesh
Instructions to Students for opting for IDP 100/ IDP 101

Annexure-I

Students registering IDP 100/ IDP 101 – Interdisciplinary Project under Open Elective category should read the following instructions carefully before registering for the IDP course.

- Students registering for **IDP 100 – Interdisciplinary Project** must identify their Research Supervisor (Faculty Member) by himself/herself.
- Do not register for the IDP 100 without identifying the Research Supervisor.
- Students registering for the first time, register IDP 100. Students already registered IDP 100, register IDP 101.
- Students must submit a Project Supervisor Allocation Form (enclosed) duly signed by the student and the research supervisor within 10 days of commencement of classes (16.08.2024) to the office of Academic Affairs.
- No formal classes will be scheduled for this course in the timetable.
- The students are expected to be in regular contact with their faculty supervisor and fulfill all the project requirements defined by the faculty.
- Once registered cannot be changed.
